

# Overview of challenges on decommissioning sites

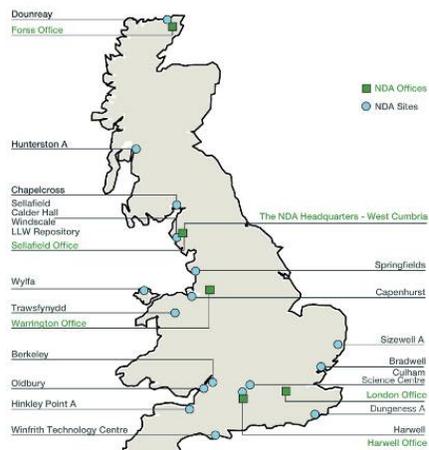

Michael Calloway NDA  
March 2010

1

## The NDA

- **Non-Departmental Public Body established in April 2005**
- **Remit to clean up the existing civil public sector nuclear wastes**
- **Sites and facilities built from 1940's onwards**
- **Current funding of circa £2.8Bn HQ in West Cumbria, with regional offices**
- **Responsible for 19 sites & integrated waste strategy**

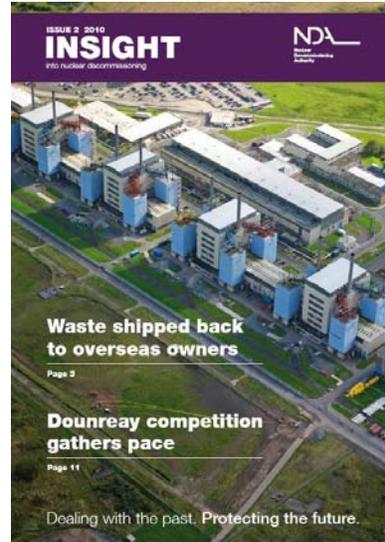

2

## Context

- Spending review across all public sector bodies
- Engaged with Government to develop options
- Focus on value for money and efficiency
